

COMPOST THERMOMETER

Operating Instructions

INSTRUMENT OPERATION - Insert the probe into the compost pile ensuring the tip of the probe is around the centre of the pile. Wait one minute for dial to reach temperature.

GUARANTEE - This instrument carries a one-year guarantee against defects in either components or workmanship. During this period, products that prove to be defective will, at the discretion of ETI, be either repaired or replaced without charge. The product guarantee does not cover damage caused by fair wear and tear, abnormal storage conditions, incorrect use, accidental misuse, abuse, neglect, misapplication or modification. Full details of liability are available within ETI's Terms & Conditions of Sale at etiltd.com. In line with our policy of continuous development, we reserve the right to amend our product specification without prior notice.
