

# Guarantee Statement

## ETI Manufactured Products - 2 Year Guarantee

This instrument carries a two-year guarantee against defects in either components or workmanship. During this period, products that prove to be defective will, at the discretion of ETI, be either repaired or replaced without charge. This guarantee does not apply to sensors/probes, where a six-month period is offered. The product guarantee does not cover damage caused by fair wear and tear, abnormal storage conditions, incorrect use, accidental misuse, abuse, neglect, misapplication or modification. Information relating to proper use of measurement equipment, including maintenance, calibration, and comparison with other instruments may be obtained from ETI and/or [thermometer.co.uk/care](http://thermometer.co.uk/care). Full details of liability are available within ETI's Terms & Conditions of Sale, at [thermometer.co.uk/terms](http://thermometer.co.uk/terms). In line with our policy of continuous development, we reserve the right to amend our product specification without prior notice.

## Non ETI Manufactured Products - 1 Year Guarantee

This instrument carries a one-year guarantee against defects in either components or workmanship. During this period, products that prove to be defective will, at the discretion of ETI, be either repaired or replaced without charge. This guarantee does not apply to sensors/probes, where a six-month period is offered. The product guarantee does not cover damage caused by fair wear and tear, abnormal storage conditions, incorrect use, accidental misuse, abuse, neglect, misapplication or modification. Information relating to proper use of measurement equipment, including maintenance, calibration, and comparison with other instruments may be obtained from ETI and/or [thermometer.co.uk/care](http://thermometer.co.uk/care). Full details of liability are available within ETI's Terms & Conditions of Sale, at [thermometer.co.uk/terms](http://thermometer.co.uk/terms). In line with our policy of continuous development, we reserve the right to amend our product specification without prior notice.

## EMC/RFI

Instrument performance may be affected if operated within a high frequency radio field, such as near a mobile phone, or if subjected to an electrostatic shock.

Nothing in these conditions will reduce your statutory rights relating to faulty or misrepresented goods. For further information about your statutory rights contact your local authority Trading Standards Department or Citizens' Advice Bureau. Claims under warranty should be addressed to ETI Ltd, Easting Close, Worthing, BN14 8HQ
